## **Vision**

In pursuance of the Companies Act, 2013 and in alignment with its vision, the Company through its CSR initiatives will continue to enhance value creation in the society and in the community in which it operates, through its services, conduct and initiatives, so as to promote sustained growth for the society and community.

## **Vision Statement**

“To actively contribute to the social and economic development of the communities of the area in which we operate. In doing so, build a better, sustainable way of life for the underprivileged, and raise their overall standard of living. In addition, we are committed to conserving and preserving the environment.”

## **Strategy**

Though mandated, Kuantum Papers Ltd takes its social responsibility seriously and proactively. Our emphasis has been on environment conservation, reforestation, pollution control, optimum utilization of treated water with recycling with in campus and also by farmers for irrigation purpose.

We have been spearheading a focused CSR drive targeted at community upliftment and development separately for some years now. Kuantum will now carry these initiatives forward as part of the CSR program.

The CSR Committee, in consultation with the Board, will provide the strategic direction for the company's external CSR drive, and the thrust areas for the CSR work, along with ensuring effective monitoring as well.

Government Bodies, District Authorities, Self Help Groups, Village Panchayats and Local Community and The Villagers will be our Development Partners and will help in delivering the CSR Plans. We will network and collaborate with our Development Partners to share ideas, each other's experiences and ensure that our efforts yield desired results.

The company's CSR Program will be undertaken directly by the Company, as also through a CSR Implementation Partner. The CSR Implementation Partner will be selected after a detailed due diligence exercise, which will include evaluation on the basis of its competence, experience, specialization and transparency.

A Memorandum of Understanding (MOU) will be signed with the Implementation Partner formalizing the agreed upon terms.

## **CSR Program**

### **Focus Area**

In India, many villages still lack the basic infrastructure. Majority of population in villages still deprived of basic civic amenities. The story is not very different in Hoshiarpur district, specifically the area in which we operate.

Preparation and implementation of CSR Plans will focus in the surrounding rural areas on:

- a. Education to underprivileged specifically to females.
- b. Income Generation Activities utilizing local resources for value addition
- c. Depending upon local requirements, technical and skill development programs under Train the Trainer Scheme.

- d. Nutrition, Health care and Hygiene Improvement with Construction of Toilets (Preferably Waterless Environment Friendly Toilets).
- e. Installation of Solar Lamps in Village Panchayats
- f. Installation of Solar Pumps wherever electricity is not available.

### **Project Selection**

Projects have been identified and planned in a participatory manner, in consultation with the community and our Development Partners, the belief being that participatory development is core to adoption of the initiative by the beneficiary as well as to the success of it.

Herein, the Company's focus is on the all-round development of communities in villages around our plant located at Saila Khurd.

### **Funding and Allocation**

In line with our CSR Vision, through implementation of our CSR Program, the Board of the company shall ensure that the company utilize allocated funds in each financial year, at least two per cent of the average net profits of the company made during the three immediately preceding financial years and that if the company fails to spend such amount, the Board shall, in its report made under clause (o) of sub-section (3) of section 134 of the Companies Act, 2013, specify the reasons for not spending the amount.

### **Organization & Management**

The CSR Program will be monitored by a CSR Committee appointed by the Board, comprising of 3 directors, including two independent directors.

### **Role of CSR Committee**

- Formulation, review and updating of policy including activities to be undertaken.
- Recommendation of the budget for CSR activities.
- Formulation of a 'Transparent Monitoring Mechanism' for implementation and review of CSR program
- Submission of Periodical Progress Report to the Board on status of activities, contributions and benefits derived.
- Any other requirement as mandated/introduced under the Act and Rules thereto.

The CSR Committee will also ensure that:
